

We are excited to be Founding Members of Austin's first Salvation Army Women's Auxiliary (SAWA) and we invite you to join us! Founding membership extends until October 31, 2020.

We have important work to do as we serve, fundraise and friendraise in support of the Austin Area Salvation Army and we need you. The Salvation Army has a 150-year legacy of providing emergency, long term and case managed shelter and a hand up for men, women, and children in Austin. Our fundraising and service will also provide meals, medicine, clothing, transportation, education, and job placement. We will act as a key resource for helping with homeless concerns in Austin. We are proud that all monies raised by our organization stay in Austin and go directly into Salvation Army service program efforts.

The SAWA will operate with four quarterly general meeting luncheon events led by elected and executive leadership. We will hold annual membership drives, and offer committee assignments, including an annual fundraiser. Our 2020 event is a Luncheon and Luxury Handbag Auction at Hotel Ella on April 21st.

Our membership creates a special place where we are able to build friendships and have fellowship with one another while creatively meeting the needs of our community. Meetings are open and we invite you to visit or contact us with questions. We look forward to meeting you!
